## PRESS RELEASE

**A place called home**  
**3 December 2010**

On the 9th of December 2010 the National Gallery of Zimbabwe opens a photographic exhibition by documentary photographer and photographic journalist Bethule Nkiwani titled *A place called home* in its PG Gallery. Photography has become a powerful means of communication and a mode of visual expression that touches human life in many ways.

The 15 series photographic documentation relates the story of a widowed mother and her

## NGVAS Exhibition Preview 'Changing Times'

*Changing Times* is a journey through experimentation using various mediums by thirteen National Gallery Visual Art School students. The eleven second years and two third year students will have work on exhibition containing an intense emotional load and a powerful aesthetic impact through their creative use of skill. The exhibition opens at the National Gallery of Zimbabwe on the 9th of December 2010, illustrates the varied materials and
